- Established brand equity.
- Scalability and ample growth opportunity through increasing healthy living trends and growing middle income.

Company description

- Deltomed is one of the leading herbal remedy players in Indonesia. Deltomed's product, Antangin, is the second largest herbal wind flu remedy brand by market share, while OB Herbal is the market leader for herbal cough medicine in Indonesia.
- Uniquely positioned as one of the few producers with vertically integrated operations and strong distribution network.

Divestments

Date of Investment: 2006
Date of Divestment: 2017
Sale proceeds: IDR900 billion

A long term investment project since 2006. As the toll-road has been built and the operation has commenced the firm decided to divest and deploy capital elsewhere.

LMS is an infrastructure company established in 2005 to construct and operate a 116 kilometer toll road that will connect Cikampek and Palimanan in West Java and that will eventually become part of the Trans Java Toll Road network.

Date of Investment: 2011
Date of Divestment: 2017
Sale proceeds: IDR 547 billion

A 5.5 year investment project in assisting MPI with the development of the various projects. As MPI has moved to the next level in size and capacity and is well on the right track to continue the commercial operation of the existing assets and construction of the on-going projects, the firm decided to divest and deploy capital elsewhere.

MPI is the operator of 9 power plants with a total gross generating capacity of 400.7 MW. Apart from developing and operating power plants, MPI also provides Engineering, Procurement and Construction (EPC) and Operations and Management ("O&M") services.
